

EFFECTIVE OCTOBER 18, 1994

THE CCD (CARGO CONTROL DOCUMENT) WILL NO LONGER BE ACCEPTED BY REVENUE CANADA FOR PRODUCTION AND SERVICE SHIPMENTS TO CHRYSLER CANADA LTD., FORD MOTOR COMPANY OF CANADA LIMITED, AND GENERAL MOTORS OF CANADA LIMITED ARRIVING VIA HIGHWAY MODE. NEW RELEASE PROCEDURES REQUIRE THAT AN RRD (REPORT AND RELEASE DOCUMENT) BE COMPLETED.

**TOTAL COMPLETION OF R.R.D. MANDATORY.
VARIABLES REQUIRING EXPLANATION LISTED BELOW**

IX

Consignee Name and Address - Indicate name and address of automotive company importing the goods. On Continuation Sheet, indicate name only.

U. S. Port of Exit - Indicate U.S. border crossing point. (city/town and state)

Country of Origin - Show country, if known, or "VARIOUS".

Release Office - name or number of Customs office where goods are released. (e.g. Windsor, Ont.)

Master Bill of Lading No. - Complete for Chrysler and Ford on consolidated loads only. Not required for General Motors.

Carrier Code - Revenue Canada assigned code.
Do not use SCAC code.

1. **Ship Date** - Date of direct shipment from Vendor. (format - YY/MM/DD ...e.g. 94/03/25)

1. **Packing Slip/SID No.** - The completion of this field is determined by the company to which the goods have been consigned:

Chrysler Canada Ltd. - Indicate packing slip number

Ford Motor Company of Canada Limited - Indicate packing slip number.

General Motors of Canada Limited - Indicate Shipment Identification Number (S.I.D.) from the Bill of Lading.

2. **Supplier Name and or Supplier Code** - The completion of this field is determined by the company to which the goods have been consigned.

Chrysler Canada Ltd. - Indicate the five digit Supplier Code first, followed by the Supplier Name.

Ford Motor Company of Canada Limited - Indicate the five digit Supplier Code first, followed by the Supplier Name.

General Motors of Canada Limited - Indicate the Supplier Name only.

7. **Plant Code** - As provided on listing included in these instructions.

18. **Commodity Code** - From the "DESCRIPTION OF GOODS" in the "SPECIAL INSTRUCTIONS" section select the appropriate commodity code (A to L). If none of these codes accurately describe the goods, write the description on one of the additional lines (M, N, O or P) and indicate that code in this column.
